

Government Capability Statement

Quest can help you navigate through all levels of government solutions.

Quest's Local, State, and Federal Government Solutions Help You To:

- Boost performance, efficiency, and governance by consolidating data centers via virtualization and cloud solutions
- Enable anywhere, anytime access to resources by both citizens and government workers with mobile computing and apps
- Provide the large-scale data storage and backup/recovery services that underpin "big data" behind improved, real-time decisions
- Ensure data, network, and access security capabilities scale seamlessly without adding unnecessary cost or complexity
